- Helping to coordinate local meetings for Healthcare Communications and Behavioral/Psych Divert
- Participated in the Healthcare Transformation Project meeting for eastern Colorado
- 

Pandemic

- Significantly less work with the pandemic at this point.
- I continue to monitor hospitalizations and positive tests across all counties
- AAR work being done by numerous stakeholders
- 

Other

- Ketamine controversy and legislation actions
- Memorial North underwent Level III ACS/State trauma survey
- Took some family time during this quarter
-

## Goals Update

- Clinical Education  
BLS Virtual Conference very successful  
Work continues to present the ALS Conference in Spring 2022
- Financial Education  
Planning for November EMS Financial Symposium in Colorado Springs  
Worked with some agencies to participate in the Supplemental Reimbursement Program  
Worked with various stakeholders to consider options for a Medicaid enhancement program for Community Non-Profit and Private agencies
- Advocacy/Legislation  
Attending the weekly EMSAC Advocacy meetings  
Attended the NAEMT EMS on the Hill program virtually  
Getting information about legislation out to community stakeholders as appropriate
- Regional Medical Direction/CQI  
Continuing to facilitate the EMS MDC committee  
Working closely with the Co-Regional Medical Directors to finalize the first edition of the regional CQI program
- Facilities  
Unfortunately, not much work on this goal partly due to the pandemic
- Cheyenne County Ambulance Service  
Meeting with Agency Director almost weekly to assist with grants, human resources, and other items as appropriate
