Regional CQI Committee Application

The Plains to Peaks RETAC believes that Continuous Quality Improvement processes are essential to the delivery of efficient, high quality emergency medical care. This CQI Committee will be charged with developing a vision, by-laws, terms of service, and other rules as deemed necessary to support a Regional CQI program which supports this goal.

Persons from across the Region are encouraged to apply for the nine positions on this Regional CQI Committee. Completed applications will be reviewed by the Regional Council or a group appointed by the Council for such a purpose.

CQI Committee Positions

- Physician currently participating as an agency Medical Director in the Region
- Member of the general public not affiliated with any particular agency or facility
- Director or Chief of an agency providing pre-hospital care
- EMS Provider from an urban area
- EMS Provider from a rural/frontier area
- EMS Educator
- Representative of a facility
- Public official from a rural area
- Representative of a Public Safety Answering Point (PSAP)

Application should include:
